

Courtney Dawson

Arthur Findlay-trained evidential psychic medium and global mentor for developing and working mediums who are done guessing and ready to deliver accurate, ethical, specific evidence in every reading.

Courtney Dawson is an international psychic medium, minister, and host of The Connected Spirit Podcast. She trains developing and working mediums to read with clarity, confidence, and integrity, and mentors students worldwide through her Connected Spirit School. Her students become confident, ethical psychic mediums who can deliver specific, accurate evidence and hold grounded space for real-world grief and healing.
